## LOVE NORTH CHINGFORD GARDENING GROUP VOLUNTEERS

A friendly group of volunteers whose main aim is to make North Chingford a more attractive place to live, work and visit by maintaining and helping to maintain the flower beds and planters shown on the map. Members of the Group meet one evening a month, usually in a member's garden in the summer months, to plan future activities and the activity sessions are mostly arranged via a WhatsApp Group.

Communications to keep the local community updated are also put on Facebook and Twitter. If you would be interested in joining the group, please email:
